Commissioner for Patents

Mr. Arthur R. Crawford,

This communication is being sent to inform you that the terminal disclaimer filed on January 14, 2008 on behalf of Applicant has not been approved. An attorney or agent, not of record, is not authorized to sign a terminal disclaimer in the capacity as an attorney or agent acting in a representative capacity as provided by 37 CFR 1.34 (a). See 37 CFR 1.321(b) and/or (c). From the record it appears that neither you or your customer number have been granted power of attorney by Applicant, and thus, you and your customer number are not authorized to file terminal disclaimer(s) upon Applicant's behalf. Please refer to 37 CFR 1.63(d): the power of attorney does not carry over from parent to child case. Please refer to 37 CFR 1.76(b)(4): placing a customer number on an ADS (Application Data Sheet) does not constitute a power of attorney. If Applicant would like you to file a terminal disclaimer, Applicant must submit a proper power of attorney.

Respectfully submitted,

James Henry Alstrum-Acevedo
